

**Thank you for signing up for a Fit3D Body Scan!**

**Here are the steps you need to take  
BEFORE your first Fit3D Body Scan.**

**Remember, FTDI!**

1. Before your visit: Go to <https://app.fit3d.com/auth/signup/web> to create your Fit3d profile/account. You will need your login and password when you arrive for your first scan to sign into your Fit3D profile. You will also need this login if you do any future scans.
2. Schedule your scan appointment by visiting <https://www.calendly.com/tgfit3d> to select your scan time. If you do not see an available time that will work with your schedule, please call me and we will find a time! (405-820-3813)
3. Please wear something similar to our 42-Challenge weigh in/weigh out attire - black shorts/sports bra for women and black shorts for men. Your clothing for the scan has to be form fitting, but not anything so tight that it cuts in anywhere, or so loose that it will give a wrong measurement. You want your measurements to be as accurate as possible. Please wear the same clothing to all subsequent scan appointments. You will have privacy if you need to change into or out of clothing.
4. Arrive on time for your scan. We are located at **813 Evergreen Street in Edmond**. It is east off of Kelly between 15th and 2nd, just behind Jo's Famous Pizza.
5. The scan only takes about 10 minutes and you will have your results via email in about 5 - 10 minutes after your scan.

Please call the office if you have any questions! Thank you!
